

**PAPER** because

it's part of the creative process.

Whether the end product is for print, digital or a combination of the two, it just helps to see it on paper. So regardless of which stage of the process you're in, use Domtar Printing Papers — Cougar,<sup>®</sup> Lynx<sup>®</sup> Opaque Ultra and Husky<sup>®</sup> Opaque Offset. Learn more at [PAPERbecause.com](http://PAPERbecause.com).
