28	105	96	94	70	4.6	37,000	23,600

product features

- Unique super smooth uncoated paper
- 96 brightness with a pleasing true white shade
- Uniform print surface for sharp, crisp images

common uses

- Direct Mail
- Transactional Documents

pack

- Rolls—processed and unprocessed
 - Run to length (linear feet) vs. diameter

electronic imaging guarantee

- Specifically designed to run on high speed ink jet presses with in-line binding treatment capability
- Laser compatible and suitable for offset pre-printing

environmental characteristics

- Forest Stewardship Council® (FSC®) certified
- Member of Domtar EarthChoice® family of products
- SFI® Certified Sourcing
- Made with Elemental Chlorine Free (ECF) virgin fiber content
- Manufactured under alkaline (acid-free) conditions for increased longevity and performance

Domtar performance commitment

Domtar's digital and inkjet products are designed and recommended for digital and inkjet production presses, desktop printers (laser and inkjet) and copiers within the limitations specified by the original equipment manufacturer.

We partner with leading OEM's to print test and certify our inkjet products as fit for use on a wide variety of equipment. Domtar's products are optimized for runnability on press and through post-processing. Our surface treatment will enhance print quality compared to untreated stocks when using pigment inks. And our products are suitable for offset pre-print. As always, Domtar stands behind our commitment and our products.

The mark of responsible forestry

Domtar is pleased to make an annual contribution of \$425,000 to WWF from the sale of FSC® Certified EarthChoice® products.
