We love paper. Paper is a recyclable, plant-based product that connects us in so many ways to the important things in life. Domtar is committed to the responsible use of paper. We're also committed to communicating paper's place and value to the businesses and people that use our products every day.

Domtar designs, manufactures, markets, and distributes a wide variety of fiber-based products, including communication papers, specialty and packaging papers, and personal care products. We continue to be fueled by new ideas, collaboration, and technology to ensure sustainability for generations to come.
