	70/28	104	94	95	150	5.3
7pt. Card	7 pt.* (79 lb.)	117	92	94	330	7.4

\*7 pt. is branded as HuskyJET® 7pt. Card.

### Product Features

- 94 brightness with a pleasing blue-white shade
- Excellent opacity for minimal show-through
- Special surface treatment enhances print quality and improves opacity density for pigment inks
- Available in rolls and sheets

### Environmental Characteristics

- Sustainable Forestry Initiative® (SFI®) Certified Sourcing
- Made with Elemental Chlorine Free (ECF) fiber content
- Manufactured under alkaline (acid-free) conditions for increased longevity and performance

### Common Uses

- Variable data full color direct mail
- Brochures
- Textbooks
- Bulletins
- Transactional/transpromotional end-uses

### Domtar Performance Commitment

Domtar's digital and inkjet products are designed and recommended for digital and inkjet production presses, desktop printers (laser and inkjet) and copiers within the limitations specified by the original equipment manufacturer.

We partner with leading OEM's to print test and certify our inkjet products as fit for use on a wide variety of equipment. Domtar's products are optimized for runnability on press and through post-processing. Our surface treatment will enhance print quality compared to untreated stocks when using pigment inks. Our products are suitable for offset pre-print. As always, Domtar stands behind our commitment and our products.
