- Transactional Documents

Electronic Imaging Guarantee:

Domtar's Digital Products are guaranteed to run on digital production presses, desktop printers (laser and inkjet), and copiers within the limitations specified by the equipment manufacturer. The guarantee excludes issues related to form design, converting, postprocessing or equipment. Selection, handling and conditioning of digital papers consistent with equipment manufacturing recommendations is the responsibility of the end user. Domtar encourages testing of digital papers prior to purchase of large quantities. Samples are available by request.
