

Hands-Free Electronic Towel Dispenser

Product Description

With excellent cost efficiency and hands-free hygiene, the innovative Revo® Hands-Free Electronic Dispenser brings peace of mind and a competitive advantage to any facility. With an industry-leading ultra-quick, ultra-quiet automatic dispense, this unit keeps people moving in high-traffic washrooms. A unique energy hibernation feature significantly extends battery life and reduces maintenance needs. Reliable and robust, this dispenser's low maintenance design includes a stub roll transfer feature for 100% use of paper and zero waste. Three different length settings control consumption as well as costs – and two dispense mode settings are available: exposed or sensor. Variable hand sensor settings allow for flexibility in placement. Offered in **stainless**, **white** and **black** finishes, Revo® Hands-Free Electronic Towel Dispensers can also be ordered with a range of possibilities including branded elements, colors and finishes – all durably incorporated into the dispenser itself.

Refill the Revo® Hands-Free Mechanical Dispenser with either Revo® Hardwound Towels in White (225815), certified to FSC® Mix (C145882) chain of custody, or Revo® Hardwound Towel in Kraft (225810), certified to Green Seal®.
