

Hands-Free Mechanical Towel Dispenser

Product Description

Offering better hand-hygiene in a cost-effective, attractive design, the Revo® Hands-Free Mechanical Dispenser brings peace of mind and a competitive advantage to any facility. Reliable and robust, this dispenser is very easy to load. The low-maintenance design is made for quick and easy refilling. A fully enclosed drum mechanism means more reliable dispensing and increases the life of the dispenser. Offered in **stainless**, **white** and **black**, Revo® Hands-Free Mechanical Towel Dispensers can also be ordered with a range of design possibilities including branded elements, colors, and finishes – all durably incorporated into the dispenser itself.

Refill the Revo® Hands-Free Mechanical Dispenser with either Revo® Hardwound Towels in White (225815), certified to FSC® Mix (C145882) chain of custody, or Revo® Hardwound Towel in Kraft (225810), certified to Green Seal®.

Features & Benefits

- Hands-free, ultra-quiet dispensing for increased hygiene and user satisfaction
- Fully enclosed drum mechanism with no external springs means more reliable, quiet dispensing
- Easy loading
- Durable design is built for heavy use
- Design is also available with customized elements for your brand
- Compatible with Revo® Refills 225815 (White Hardwound Towel) and 225810 (Kraft Hardwound Towel)
